Bob and his son Ben are a dynamic father/son team that live out and model the message and theme of our retreat.

DR. BOB NICHOLS

For over 25 years, Bob planted and pastored churches in Texas and Virginia. After receiving a Master's Degree in Theology from Southwestern Baptist Theological Seminary, Bob & his wife Laura started Redeemed Christian Fellowship, a non-denominational church in Austin, Texas,

which became their base for a worldwide traveling ministry. In 1995 Bob & Laura left the pastorate for full time traveling and consultation ministry. In 2004, Bob returned to school and earned a Master's & Doctorate in Psychology.

The focus of Bob & Laura's work for the past 12 years has been in local church consultation and pastor's conferences. They help local churches in crisis situations through "Life Coaching" and "Intensives" (a 6 month program for local pastors dealing with Personal Growth, Ministry Skill Development, & Ministry Strategy Development). Working with a team of other professionals and leaders, they work in developing strategies, problem solving, leadership training and counseling development. His travels take him to Central and South America, Europe, Canada, Mexico, Africa and the Caribbean, as well as throughout the United States.
